

ISSUES ARISING REPORT FOR
Horme ad Parish Council
Audit for the year ended 31 March 2017

Introduction

The following matters have been raised to draw items to the attention of Hormead Parish Council. These matters came to the attention of BDO LLP during the review of the annual return for the year ended 31 March 2017. This report must be presented to a full meeting of the smaller authority for review.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Electors rights period during the year
 - Amendments to annual return
-

The following issues have resulted in the annual return being qualified. They indicate either a breach of proper practices or legislation and they require the smaller authority to take immediate action to rectify these issues.

Electors rights period during the year

What is the issue?

The 31 March 2016 Accounts were approved after the commencement of the inspection period of the exercise of electors' rights, which occurred during the current audit year.

Why has this issue been raised?

The Accounts and Audit Regulations 2015, reg 15(3) specifies that the Annual Governance statement must be approved. This is followed by the approval of the Accounting Statements. Both statements must be published including on a website with the notice of electors' rights. The electors' rights period should start on the following day. The smaller authority has not complied with the Accounts and Audit Regulations 2015 during the year under audit.

What do we recommend you do?

The Smaller Authority must ensure in future years that the electors' rights inspection period commences after the accounting statements are approved.

Amendments to annual return

What is the issue?

The annual return had to be returned for amendment.

Why has this issue been raised?

The annual return as submitted had not been prepared in accordance with legislation or proper practices and required amendment.

What do we recommend you do?

The smaller authority should ensure that the annual return is fully and correctly prepared in future years.
