

Update on My Work in Hornead Parish – for September 2017

**Dawn Grocock**  
**Countryside Access Officer, Public Rights of Way Service**  
Transport, Access & Road Safety

| Path | Status | Problem  | Current Action   | Hermis / Confirm no.                    |
|------|--------|--|--|---|
| 6    | BOAT   | Surface of route too narrow for vehicles, due to ditches and drainage features | Need to inspect  | 10207700                                |
| 13   | FP     | Path ploughed and not reinstated   | Need to inspect and contact landowner  | 10207110                                |
| 13   | FP     | Steps are difficult and need a handrail  | Possible P3 grant application for works from the PC  | 10207111                                |
| 18   | FP     | Obstruction  | Awaiting confirmation from Definitive Map team as some of the fencing could be over the DM path line | 10206889<br>10207112 <b>In progress</b> |
| 21   | FP     | Path ploughed and not reinstated   | Contacted landowner  | 10204401                                |
