Dear Clerk

I have previously advised of the above (my E mail 03/08). I am now looking to arrange a public meeting December/ January.

Prior to that I can offer a confidential meeting with the Parish Council or representatives before such an event and sometime late October/ early November would suit me.

If you wish to pursue this option please advise.

I can be contacted on 07800774028 if you wish to discuss the matter.
